Water analysis - Paper Order

Important: Do not use this form if you have placed a Digital Order!

Customer details

Last Name: _____ Company: _____
First Name: _____ Tel.: _____
Street: _____ E-Mail: _____
Postcode/City: _____

Water sample information at collection:

Date: _____ Time: _____ Water temperature (°C): _____
Samplingpoint (e.g. pond, aquarium, etc.): _____
Reason for the analysis (e.g. routine, fish diseases, etc.): _____

Tick the desired test!

Physical/chemical pondprofile
(pH value, conductivity, carbonate and total hardness, ammonium, nitrite, nitrate, phosphate)

Microbiological pondprofile
(Colony count + indicator organisms)

Comprehensive pondprofile
(physical/chemical + microbiol. pondprofile)

Photometric test:

Aluminium
Lead
Chlorine
Copper
Zinc
Iron
Manganese

Routine test:

pH value
Conductivity
Ammonium
Carbonate hardness
Total hardness
Nitrate
Nitrite
Phosphate
