

Pricelist – water analysis March 2026

(Prices incl. VAT)

Physical/chemical pond profile € 43,00

pH value, conductivity, carbonate and total hardness,
ammonium, nitrite, nitrate, phosphate

Microbiological pond profile € 56,00

Colony count + indicator organisms
(Aeromonas spp., Pseudomonas spp., Enterobacteriaceae)

Comprehensive pond profile € 92,00

(physical/chemical + microbiological pond profile)

Photometric test

Aluminium (0,02-1,2 mg/l)	€ 18,00
---------------------------	---------

Lead (0,01-5,0 mg/l)	€ 18,00
----------------------	---------

Chlorine (0,01-6,00 mg/l)	€ 18,00
---------------------------	---------

Copper (0,02-6,00 mg/l)	€ 18,00
-------------------------	---------

Zinc (0,05-2,5 mg/l)	€ 18,00
----------------------	---------

Iron (0,003-5,00 mg/l)	€ 18,00
------------------------	---------

Manganese (0,01-5,0 mg/l)	€ 18,00
---------------------------	---------

Routine test

pH value	€ 5,00
----------	--------

Conductivity	€ 5,00
--------------	--------

Ammonium	€ 10,50
----------	---------

Total hardness	€ 10,50
----------------	---------

Carbonate hardness	€ 10,50
--------------------	---------

Nitrate	€ 10,50
---------	---------

Nitrite	€ 10,50
---------	---------

Phosphate	€ 10,50
-----------	---------
